Future Ready for New India

NEWSLETTER

Issue 03 | Year:2025-26

DR. K. R. SHARMA

FROM CHAIRMAN'S DESK

Innovative Institute of Education and Technology was established in 2005 under the leadership of Prof. (Dr.) K. R. Sharma who is a renowned educationist well known in academic circles. He has done his B.Sc, M.Sc., & Ph.D. from University of Delhi. He taught in Hindu College, University of Delhi from 1974 to 2013. He is a prominent academician who has dedicated himself to the profession of Academic development.

Our vision is to provide an ideal ambience for individual growth through academic learning combined with a consciousness of ethics and values, resulting in creative and agile thinkers who will influence the Nation and the World at large.

We at Innovative enhance professional quality by educating and training a new generation of professionals, who will have high level of professionalism with a good value system & an understanding of their social responsibilities.

FROM PRINCIPAL'S DESK

With over 21 years of experience in transformative teaching and mentorship, we are proud to be part of growth of IIET and in nurturing future-ready leaders. At IIET, we focus on innovation and equipping students with interdisciplinary skills through a rigorous curriculum that combines theory with practical learning. Our advanced facilities and diverse programs foster creativity, collaboration, and holistic growth. We are committed to developing visionary leaders who uphold academic excellence, ethical values, and global responsibility. Let us continue to strive for excellence with integrity and innovation.

NAVDEEKSHA – ORIENTATION PROGRAMME (27/8/2025)

The academic session 2025–26 commenced with **Navdeeksha**, the Orientation Programme organized to welcome the new batch of students. The event aimed to familiarize students with the institute's academic environment, rules, facilities, and opportunities for holistic development. Faculty members introduced various departments and encouraged students to actively participate in academic and co-curricular activities. The programme provided an excellent platform for students to begin their educational journey with confidence and enthusiasm.

TEACHERS' DAY CELEBRATION (5/9/2025)

Teachers' Day was celebrated with great zeal and gratitude to honor the invaluable contributions of educators. Students organized cultural performances, speeches, and interactive activities to express their appreciation towards their teachers. The event highlighted the vital role of teachers in shaping the future of students and fostering academic excellence.

SYMPOSIUM ON TARIFF WAR IN GLOBAL ERA (22/9/2025)

The Innovative Institute of Education & Technology (Iiet) organized a Symposium on "Tariff War in the Global Era" on 22 September 2025 to provide students with insights into contemporary global trade and economic challenges. The session was delivered by Dr. Raj Mishra (Journalist & Media Expert) and Mr. Siddhaarth Singh (Journalist & Media Expert), who discussed the impact of tariff wars on international trade, economic growth, business strategies, and global markets. Through interactive discussions and real-world examples, the speakers explained how changing trade policies influence industries, businesses, and consumers worldwide. The symposium broadened students' understanding of global economic issues and encouraged them to analyze current international developments from a business and strategic perspective.

EDUCATIONAL VISIT TO PHD HOUSE, DELHI (19/9/2025)

On 19 September 2025, BBA students visited Ph.D. House, New Delhi, to attend an informative session on "Cyber Security, Fraud Management and Digital Trust in the AI Age." The session emphasized the growing importance of cyber security, fraud prevention, and building digital trust in today's AI-driven business environment. Experts shared practical insights into emerging cyber threats, safe digital practices, and the role of artificial intelligence in enhancing security and organizational resilience. Students actively participated in the interactive discussions, gained exposure to current industry trends, and developed a better understanding of the challenges and opportunities associated with digital transformation. The visit proved to be an enriching learning experience that complemented their academic knowledge with real-world perspectives.

GUEST LECTURE ON PORTFOLIO STRATEGIES FOR INDIVIDUAL INVESTORS (24/9/2025)

The ILET organized a Guest Lecture on “**Portfolio Strategies for Individual Investors**” on **25th September 2025** for BBA students. The session was conducted by **Mr. Prakash Chandra**, an experienced professional in the field of finance and investment management.

The lecture focused on the fundamentals of investment planning, portfolio diversification, risk assessment, asset allocation, and wealth creation strategies for individual investors. Mr. Chandra explained how investors can build balanced portfolios by considering their financial goals, risk tolerance, and market conditions. He also shared practical insights into stock market investments, mutual funds, and long-term financial planning.

FRESHERS' PARTY (26/9/2025)

The Freshers' Party of Innovative Institute of Education & Technology was organized to warmly welcome the new batch of students and help them integrate into the institute's vibrant academic community. The event was filled with enthusiasm, excitement, and cultural performances that created a memorable experience for all participants.

Students showcased their talents through dance, music, singing, and other cultural activities. Various fun-filled games and interactive sessions encouraged networking and camaraderie among students. The event provided an excellent platform for freshers to interact with seniors and faculty members, fostering a sense of belonging and confidence. Freshers' Party 2025 successfully marked the beginning of an exciting and enriching journey for the newly admitted students.

A WORKSHOP ON “CORPORATE EXPECTATIONS: FROM CAMPUS TO CUBICLES (10/10/2025)

The session was conducted by **Prof. Navin Verma** and **Ms. Davinder Kaur**. The workshop aimed to bridge the gap between academic learning and corporate requirements by providing students with insights into workplace expectations, professional etiquette, communication skills, teamwork, leadership qualities, and career readiness. The resource persons emphasized the importance of developing a professional attitude, adaptability, problem-solving abilities, and continuous learning to succeed in the corporate world.

Through interactive discussions and practical examples, students gained a better understanding of the transition from campus life to professional careers. The session also highlighted industry trends, employability skills, and strategies for enhancing workplace effectiveness. The workshop concluded with an engaging question-and-answer session, where students received valuable guidance for their future professional journeys.

INDUSTRIAL VISIT TO COCO COLA (14 /10/2025)

The visit was organized with the objective of providing students with practical exposure to industrial operations and manufacturing processes. During the visit, students observed various stages of beverage production, including water treatment, bottling, and packaging, quality control, and distribution processes. The industry experts explained the plant's operational procedures, quality assurance standards, and the use of modern technology in maintaining production efficiency and product safety.

The visit provided valuable insights into supply chain management, production planning, inventory control, and industrial management practices. Students had the opportunity to interact with professionals and gain firsthand knowledge of the functioning of a large-scale manufacturing unit.

INDUSTRIAL VISIT TO APP SQUAD (14 /10/2025)

The visit was aimed at providing students with practical exposure to the software industry and enhancing their understanding of real-world IT operations. During the visit, students were introduced to various aspects of software development, including mobile application development, web technologies, cloud-based solutions, project management, and software testing processes. Industry professionals explained the complete software development lifecycle and demonstrated how innovative technologies are used to develop modern digital solutions.

The students interacted with experienced developers and technical experts, gaining valuable insights into current industry trends, emerging technologies, and career opportunities in the IT sector.

GUEST LECTURE ON CLOUD COMPUTING AND ARTIFICIAL INTELLIGENCE 15 /10/2025

The Department of Computer Applications organized a **Guest Lecture on “Cloud Computing and Artificial Intelligence (AI)”** on **15th October 2025** for BCA students. The session was delivered by **Saurabh Dwivedi**, an industry expert with extensive knowledge of emerging technologies. Through practical examples and real-world case studies, students gained insights into how cloud platforms support AI applications, machine learning models, data analytics and intelligent automation. The session also highlighted current industry trends, career opportunities, and the skills required to succeed in these rapidly evolving technological domains. The interactive lecture encouraged students to explore innovative technologies and understand their practical applications. The session concluded with a question-and-answer round, where students actively engaged with the speaker and clarified their queries regarding cloud computing, AI, and future career prospects in the IT industry.

DIWALI CELEBRATION (17/10/2025)

The festival of **Diwali** was celebrated with great enthusiasm and festive spirit at **Innovative Institute of Education & Technology, Greater Noida**. The campus was beautifully adorned with colorful decorations, diyas, and vibrant rangoli designs, creating a joyful and welcoming atmosphere for students and faculty members.

A variety of activities were organized as part of the celebration, including **Rangoli Competition**, **Mehendi Competition**, and **Food Stalls** managed by students. Participants showcased their creativity through intricate rangoli patterns and beautiful mehendi designs, reflecting the rich cultural traditions associated with the festival. The food stalls offered a wide range of delicious snacks and festive delicacies, adding excitement and enjoyment to the event.

INTER-COLLEGE CRICKET TOURNAMENT 2025 (12-14/11/2025)

The three-day sporting event witnessed enthusiastic participation from renowned institutions, including Galgotias College, Galgotias University, IIMT College, Lloyd Institute, and KCC Institute, along with the host (Innovative Institute of Education and Technology). The tournament provided a platform for students to showcase their sporting talent, teamwork, and competitive spirit. Exciting matches were played throughout the event, demonstrating excellent sportsmanship and determination among the participating teams.

The event not only promoted physical fitness and healthy competition but also strengthened inter-institutional relationships and camaraderie among students. The tournament concluded with a prize distribution ceremony, recognizing the outstanding performances of the participating teams and players. The Inter-College Cricket Tournament 2025 was a grand success and a memorable sporting event of the academic session.

GUEST LECTURE ON WORK-LIFE BALANCE, TIME MANAGEMENT, AND CONFLICT MANAGEMENT (22/11/2025)

On **22 November 2025**, organized a **Guest Lecture on "Work-Life Balance, Time Management, and Conflict Management."** The session was delivered by **Mr. Satish Kumar Sharma (AAO)**, who shared valuable insights on maintaining a healthy work-life balance, managing time effectively and handling workplace conflicts. Through practical examples and real-life experiences, he emphasized the importance of these essential managerial skills in both personal and professional life. The interactive session enhanced students' communication, decision-making, and problem-solving abilities, making it a highly informative and enriching learning experience.

EDUCATIONAL TOUR AT NAMO BOOK FEST (16-17/01/2026)

On **16–17 January 2026**, organized an **Educational Tour to the Namo Book Fest**, where students explored a wide range of books, interacted with authors and publishers, and attended informative sessions on literature and innovation. They also enthusiastically participated in various cultural events, literary competitions, quizzes, and creative activities. Several students won prizes and received certificates for their outstanding performances. The tour promoted reading habits, creativity, and experiential learning, making it an enriching and memorable educational experience.

TRAINING ON COLLEGE ERP (28/01/2026)

On **28 January 2026**, organized a **Faculty Training Programme on College ERP** to enhance the effective use of the institution's Enterprise Resource Planning (ERP) system. The training session was conducted by **Mr. Bhuvnesh Mishra**, who demonstrated the key features and functionalities of the ERP portal, including attendance management, student records, examination processes, timetable management, and other academic and administrative modules. The session provided hands-on training to faculty members, enabling them to use the ERP system efficiently for day-to-day academic and administrative activities.

LECTURE ON ACADEMIC WRITING FOR HIGH- IMPACT JOURNALS (31/01/2026)

On **31 January 2026**, organized a **Lecture on "Academic Writing for High-Impact Journals"** for faculty members and research scholars. The session was delivered by **Dr. Annu Bahl Mehra (Professor)**, who shared valuable insights into the principles of academic writing, research ethics, manuscript preparation, and the publication process in high-impact journals. She discussed effective writing techniques, common mistakes to avoid, and strategies for improving the quality and visibility of research publications. The interactive session enhanced participants' understanding of scholarly writing and motivated them to produce high-quality research for reputed national and international journals.

CODING CHALLENGE (09/02/2026)

On **9 February 2026**, organized a **Coding Challenge** for **BCA students** to strengthen their programming skills. Co-ordinated by **Ms. Chanchal Bhardwaj**, the competition focused on the core concepts of **C and C++**, including variables, data types, operators, loops, functions, arrays, and conditional statements. Students enthusiastically solved coding problems that tested their logical thinking, problem-solving abilities, and programming fundamentals. The event encouraged healthy competition, enhanced coding proficiency, and motivated students to build a strong foundation in programming.

GROOMING WORKSHOP: "CARE BEYOND CLASSROOMS" (16/02/2026)

A Grooming Workshop on **"Care Beyond Classrooms"**, empowered by **Whisper Venus**, was organized on **16th February 2026** at Innovative Institute of Education & Technology, Greater Noida. The workshop focused on personal hygiene, self-care, health awareness, and confidence building.

Students actively participated in the interactive session and gained valuable insights into maintaining a healthy lifestyle and overall well-being. The event was informative and empowering, contributing to the holistic development of Students.

GUEST LECTURE ON "FUNDING YOUR STARTUP THROUGH CAPITAL MARKET" (17/02/2026)

A Guest Lecture on **"Funding Your Startup through Capital Market"** was organized on **17 February 2026 at 12:00 PM**. The session was delivered by **Ms. Himani Lath, SEBI Smart Trainer**, who provided valuable insights into startup financing through the capital market.

The lecture covered key aspects of equity funding, investment opportunities, the role of SEBI, and strategies for raising capital. The interactive session enhanced students' understanding of financial markets, entrepreneurship, and informed investment decisions, inspiring them to explore innovative business opportunities.

INNO-SPARDHA 2026 – INTER-COLLEGE SPORTS COMPETITION (20/02/2026 & 21/02/2026)

INNO-SPARDHA 2026, the annual **Inter-College Sports Competition**, was successfully organized on **20–21 February 2026**, bringing together students from various institutions to celebrate the spirit of sportsmanship, teamwork, and healthy competition.

The two-day event featured a wide range of sporting events, including **Chess, Kho-Kho, Carrom, Volleyball, Table Tennis, Long Jump, 100-Metre Race, and Relay Race**. Students participated with great enthusiasm, demonstrating exceptional athletic skills, discipline, and competitive spirit throughout the tournament. The event provided a platform for young athletes to showcase their talent, foster inter-college collaboration and promote physical fitness & leadership qualities. **INNOSPARDHA 2026** concluded with a prize distribution ceremony.

EDUCATIONAL VISIT TO AMRIT UDYAN (7/03/2026)

An educational visit to **Amrit Udyan, Rashtrapati Bhavan Complex, New Delhi** was organized on **7 March 2026**. The visit provided students with an opportunity to explore the historic gardens, appreciate India's rich horticultural heritage, and gain insights into environmental sustainability, landscape design, and biodiversity.

The experience enriched students' knowledge while promoting environmental awareness, cultural appreciation, and experiential learning beyond the classroom.

EDUCATIONAL VISIT TO NDTV NEWS CHANNEL (R. BHARAT) (12/03/2026)

An educational visit to **NDTV News Channel** was organized to provide students with practical exposure to the functioning of a leading media organization. During the visit, students gained valuable insights into news gathering, content creation, newsroom operations, broadcasting techniques, digital journalism, and media ethics.

Industry professionals interacted with the students, explaining the complete news production process—from reporting and editing to live telecasting. The visit enhanced students' understanding of the media industry, communication practices, and career opportunities in journalism, broadcasting, and digital media, while bridging the gap between academic learning and real-world professional practices.

HOSPITAL VISIT TO YATHARTH HOSPITAL (13/03/2026)

An educational visit to **Yatharth Hospital** was organized for **B.Sc. students** on **13 March 2026**. The visit provided students with practical exposure to the functioning of a modern healthcare institution and enhanced their understanding of hospital administration, patient care, medical technologies, and clinical practices.

During the visit, healthcare professionals interacted with the students, explaining various hospital departments, healthcare protocols, and the importance of teamwork in delivering quality patient care. The experience bridged the gap between theoretical learning and practical application, enriching students' knowledge and preparing them for future careers in the healthcare sector.

TECHNICAL SEMINAR (17/03/2026)

During the seminar, **BCA students** delivered presentations on various topics related to data structures and programming, including arrays, linked lists, stacks, queues, searching, sorting, and algorithms. The presentations enhanced their technical knowledge, logical reasoning, and communication skills while promoting collaborative learning. The seminar also provided practical exposure through real-world examples and interactive discussions, enabling students to strengthen their programming concepts and problem-solving abilities.

WORKSHOP ON "START-UP LAUNCH – MERAKII"(18/03/2026)

A workshop on **"Start-up Launch – Merakii"** was organized on **18 March 2026** and was conducted by **Ms. Bhagyashree, Founder & Managing Director**. The session provided students with valuable insights into the entrepreneurial journey, from transforming innovative ideas into successful business ventures.

The speaker discussed key aspects of startup development, including idea validation, business planning, branding, marketing strategies, customer engagement, financial management and overcoming entrepreneurial challenges. She also emphasized the importance of innovation, resilience, leadership, and adaptability in building a sustainable enterprise.

The interactive session encouraged students to think creatively, identify market opportunities, and develop an entrepreneurial mindset. Through real-life experiences and practical guidance, the workshop motivated aspiring entrepreneurs to pursue their business ideas with confidence and strategic planning.

EXPERT SESSION ON "THE ATTACKER'S PLAYBOOK: SKILLS, CAREERS & REAL HACKS (24/03/2026)

An expert session on **"The Attacker's Playbook: Skills, Careers & Real Hacks"** was organized on **24 March 2026**. The session was delivered by **Mr. Samaksh Kaushik, Founder & Director**, who shared valuable insights into the rapidly evolving field of cyber security.

The session covered essential cyber security concepts, ethical hacking methodologies, cyber threats, vulnerability assessment, digital security practices, and emerging career opportunities in the cyber security domain. Through real-world case studies and practical demonstrations, students gained an understanding of the techniques used by ethical hackers to identify and prevent cyber threats.

FAREWELL CEREMONY 2026 (28/03/2026)

The IJET organized a memorable **Farewell Ceremony** on **28 March 2026** to bid a warm farewell to the outgoing students. The event was filled with enthusiasm, nostalgia, and heartfelt emotions as students, faculty members, and staff came together to celebrate the achievements and memorable journey of the graduating batch.

The programme featured a variety of cultural performances, including **dance, musical performances, fun games, and interactive activities**, showcasing the talent and creativity of the students. The event also included inspiring speeches, moments of appreciation, and the presentation of titles and mementos to the outgoing students.

INDUSTRIAL VISIT TO HAIER INDIA (25/05/2026)

An **Industrial Visit to Haier India** was organized for **BBA and BCA students** on **25 May 2026** at **DMIC Integrated Township, Greater Noida**. The visit provided students with first-hand exposure to modern manufacturing processes, advanced technologies, and industrial operations at one of India's leading consumer electronics and home appliance manufacturing facilities.

During the visit, students gained practical insights into production planning, quality control, supply chain management, automation, inventory management, and organizational workflow. Industry experts explained the integration of technology, innovation, and management practices in achieving operational excellence and maintaining global quality standards.

The visit successfully bridged the gap between classroom learning and industry practices, enhancing students' understanding of manufacturing systems, business operations, and career opportunities in the corporate and industrial sectors.

A **Faculty Development Programme (FDP) on Artificial Intelligence** was conducted from **22 May 2026 to 30 May 2026** with sessions delivered by distinguished **industry experts**. The programme aimed to enhance faculty members' knowledge of emerging AI technologies and their applications in higher education, research, and industry.

The FDP covered key topics including **Generative AI, Machine Learning, Prompt Engineering, AI-powered content creation, data analytics, ethical AI, and innovative teaching methodologies**. Through expert-led sessions, hands-on demonstrations, and interactive discussions, participants gained practical insights into integrating AI tools into teaching, curriculum design, research, and academic administration. The programme strengthened the faculty's digital competencies and equipped them with contemporary AI skills, enabling them to deliver industry-relevant education.

WORLD ENVIRONMENT DAY CELEBRATION (5/06/2026)

The IIET celebrated **World Environment Day** on **5 June 2026** by organizing a series of activities to promote environmental awareness and sustainability. The celebration included a **Quiz Competition, Photography Showcase, and Plantation Drive**, encouraging students to actively participate in environmental conservation initiatives.

The events provided a platform for students to demonstrate their knowledge, creativity, and commitment towards protecting the environment. The Plantation Drive reinforced the importance of afforestation and sustainable living, while the quiz and photography exhibition highlighted environmental challenges and solutions. The programme successfully inspired students to adopt eco-friendly practices and contribute towards building a greener and more sustainable future.

INTERNATIONAL YOGA DAY CELEBRATION (21/06/2026)

The IIET celebrated **International Yoga Day** on **21 June 2026** with great enthusiasm, promoting the importance of physical fitness, mental well-being, and a healthy lifestyle. Students, faculty members, and staff actively participated in a guided yoga session conducted by experienced instructors.

The programme highlighted the significance of yoga in reducing stress, improving concentration, and maintaining overall health. Through various yoga asanas, breathing exercises, and meditation techniques, participants experienced the benefits of holistic wellness. The celebration reinforced the message of adopting yoga as a daily practice for achieving harmony between the mind and body and fostering a healthier society.
